Special and Important Notice to the Public.

The manager of the Gazette takes pleasure in making the announcement that the price of the Daily Gazette has been reduced to \$1.50 a quarter, 50 cents a month, or one shilling a week, commencing February 1st, thus placing it within the reach of every family in the city and making it by all odds the cheapest daily newspaper published in the state.

He also gives the notice that the city circulation of the Gazette has been placed in the hands of Mr. Will H. Cheney.

GAZETTE PRINTING COMPANY.

NOTICE.

Subscribers of the DAILY GAZETTE who do not receive their paper regularly, will confer a favor by reporting omissions promptly at the GAZETTE PRINTING ROOM.

Marshall Hogan arrested three tramps on Saturday night.

The Mutual Improvement club meet at All Soul's parlors this evening.

Marshall Hogan, on Saturday night, arrested James McDonald, on charge of breaking into the house of Mrs. Murray, in Monterey.

The report that the new depot for the Chicago, Burlington & Quincy railway is to be built on the fair ground, is a little premature. The road has not yet been located at this point.

The number of books given out at the free library from February 19th to March 13th was 1,949. The greatest number given out in one day was 171 on Saturday March 17th.

John Skinnian is to have an examination in the municipal court this afternoon at the conclusion of the Belmont case. It is thought that he will waive an examination and plead guilty to the charge of robbery.

On Saturday, Drs. Whiting and Barrows held a post mortem examination of the remains of the late Henry Peters, at the request of District Attorney Sale. The doctors report the cause of death to be heart disease.

The new iron railroad bridge is rapidly approaching completion, the last of the iron being put in place to-day, and most of the old wood bridge and trestle work has been removed. The new bridge is a strong and substantial one.

Crowds of people thronged the sidewalks in the business portions of the city on Saturday evening, and notwithstanding that it was the close of St. Patrick's day, there was only an occasional noise or an attempt to disturb the peace. No fighting and no regular drunks.

There was an extraordinary large congregation at the German Lutheran church yesterday at the confirmation service. The church was packed, many being unable to gain admittance, and all who were a little late were obliged to stand out.

The Odd Fellows will give another of their social entertainments at Odd Fellows' hall on Thursday evening, March 22d, at which time but Odd Fellows and their families will be admitted. The hall not being large enough to accommodate all, the committee is obliged to adopt the above restrictions.

One hundred and one orders were paid by the money order department of the Janesville postoffice during the past week, amounting to \$1,652.15; during the same time one hundred and thirty-one orders were issued, calling for \$1,234.34, the fees being \$15, making a total business for the week of \$2,901.43.

The attorneys in the Belmont cattle case of Byron Smith vs. Sylvester Tulcott and G. D. Peck, occupied the municipal court most of to-day, in making their arguments. Messrs. B. M. Malone and Wm. Smith were the attorneys for the plaintiff, and Messrs. P. Norcross and C. Bentley for the defendants.

The funeral of the late Robert Peters was held yesterday afternoon at 2 o'clock, at Trinity church, Rev. Horace Gates officiating. The members of W. H. Sargent Post No. 20 G. A. R. and Crystal Temple of Honor, of which the deceased was a member, attended in a body, and followed the remains to Oakhill cemetery. The remains were buried in lots owned by the Grand Army Post.

Miss Minnie Casar, daughter of Mrs. William Casar, was married on Saturday afternoon to Mr. A. J. Streeter, foreman of the Empire cross spring company. The ceremony was performed at the home of the bride's mother, the Rev. C. E. Goldthorpe, of the First Methodist church, officiating. The wedding was a quiet one, the relatives and only a few of the most intimate friends of the contracting parties being present. The happy couple were the recipients of many beautiful presents.

A few days since we referred to a proposition being agitated among our prominent agricultural implement dealers and stock men, to hold a joint exhibition sometime in the early part of June, in connection with the proposed trading meeting. We now understand that a committee has been appointed, and will soon wait upon our business men, for the purpose of soliciting pecuniary assistance, as it will require quite an expenditure of money to successfully carry out the projected exhibition, and put the ground in proper condition. As the exhibition is contingent upon a successful canvass for money, we trust our business men will give liberal aid to the committee.

The funeral services of Harold Faville, the little son of the Rev. and Mrs. Henry Faville, took place yesterday afternoon, at Oakhill cemetery. A number of sympathizing friends of the bereaved parents met the funeral procession from Evansville, some three miles from the city, and accompanied the remains to the cemetery where a brief service was held.

held, conducted by the Rev. Mr. Curtis, the singing being done by the Court Street church quartet. There were many tender expressions of sympathy from Mr. and Mrs. Faville's friends in Janesville. The blow that death has dealt is a severe one, and in the hour of this affliction they have the sincerest condolence of the community.

Mrs. Willing's Address.

Mrs. Dr. Willing, of Chicago, delivered an address last evening at Court Street church, on foreign mission, more particularly urging the support of the woman's foreign missionary society of the Methodist Episcopal church. A large part of the address was devoted to recounting the story of woman's work in foreign countries, especially among the heathens. The address was full of interest and showed that Mrs. Willing's heart and hand are in the missionary work. She is an accomplished woman, thoroughly instructed, and is an easy and graceful speaker. She has devoted many years to the study of missionary work, and beside this has traveled in India and many other parts of the globe where that work was needed. She is a sister of Dr. Charles Fowler, so well known both east and west for his eloquence.

After the address last evening Mrs. Willing organized a woman's missionary society in connection with Court Street church.

Tramps Beware.

A bill is going through the assembly which, when it becomes a law, will not be very healthy for tramps found in this state. The definition of tramp, according to this bill, is very much more explicit and lucid than the definition of "Massotte," in the opera by that name. A tramp is "any male person of the age of sixteen years or upwards, being a vagrant within the purview of section 1544, revised statutes, who shall be found within any town, city or village of this state, having at the time no visible means of support, and not being at that time an actual inhabitant of such town, city, or village; or any such person who shall be found drunk or disorderly, shall be deemed a tramp."

Any person convicted of being a tramp as defined above, shall be punished by imprisonment in the county jail not less than fifteen days, during which imprisonment his food and drink shall be bread and water only, or by imprisonment in the state prison not exceeding one year, except in counties having work houses; commitment may be made to such work house in the discretion of the court. Tramps will do well to steer clear of Wisconsin. Let them go into Uncle Sam's navy.—Madison Democrat.

Tobacco Sales.

Sales of seed leaf tobacco reported by J. S. Gans' Son & Co., tobacco brokers, No. 131 Water street, New York, expressly for the Janesville Gazette, for the week ending March 19, 1883:

300 cases, crop of 1880, Pennsylvania, 9 to 15 cents.

100 cases, crop of 1881, New England, 10 to 35 cents.

200 cases, crop of 1881, Ohio, at 5 1/2 to 5 1/4 cents.

150 cases, crop of 1881, Wisconsin Havana, 14 to 20 cents.

Total cases, 750.

The Day Well Closed.

Assembled in St. Patrick's and St. Mary's churches, Saturday evening, were enthusiastic crowds, attracted by prevalent announcements; that the theme of day just closed, "St. Patrick," would be continued in the evening. St. Patrick's church was appropriately decorated for the occasion; and with the St. Patrick's banner, and the United States flag displayed; with the members of the St. Patrick's T. A. & B. society, appearing in full regalia, there was much to inspire a feeling of patriotism, and bring back to many, in memory, the Emerald Isle, and to all, the "Land of the free." The lecture was delivered by Rev. Father Brennan; it was replete with interest, and was treated by the Rev. Father in a manner which greatly impressed all.

At St. Mary's church, Rev. Father D'Connell, of Minneapolis, himself a missionary, entertained his hearers with a panegyric on "St. Patrick." His language, of which he has a fluency, was well applied, and also agreeably received.

The Weather.

REPORTED BY FRANKLIN & EVANSON, DRUGGISTS.

The thermometer at seven o'clock Sunday morning registered 34 degrees above zero and at one p. m. at 20 degrees above.

In the morning the wind was from the southwest, clear sky and flattering prospects for a fair day. About nine o'clock the wind backed around until it came strong from the northeast, heavy clouds shut out the sun's rays, and the day was very disagreeable out of doors.

At seven o'clock this morning the thermometer registered 7 degrees above zero, and at one p. m. at 24 degrees above. Partly cloudy, wind north backing to northwest.

Lapsed Policies.

Since publishing the facts concerning the lapsed life insurance policies of the Charter Oak company, we have received several inquiries from readers of the Gazette. The following letter will answer for all.

HEARTY PRATHEE, March 17, 1883.

SMS.—I noticed an article in the Gazette of the 15th inst. about expired life insurance policies. Will you now tell how to proceed, or where to get the desired information, to obtain the desired results that your friend in Janesville obtained? I have one on which I paid eleven payments.

Respectfully Yours,
W. T. MILLER.

A letter of inquiry addressed to L. M. Hammond, general agent of the Charter Oak Life Insurance company, 3539 Prairie avenue, Chicago, Ill., will undoubtedly be answered by that gentleman in a satisfactory manner. We published in the article alluded to all the information in our possession on that subject.

PERSONAL.

—Mrs. C. F. Winslow is quite sick with lung fever.

—Captain W. T. Vankirk went to Chicago to-day on business.

—Harry King, son of Mr. and Mrs. J. D. King, is very sick with a lung difficulty.

—Mrs. Dr. Willing, of Chicago, was a guest of Mr. and Mrs. M. Phelps, during her visit to the city.

—Mr. John Carpenter has returned from his trip to Dakota, and is perfectly satisfied. He says Rock county is good enough for him.

—Mr. John F. Ehringer will long remember St. Patrick's day. He wears a broad smile, and politely informs his friends that it is a girl, and all are happy.

—Mr. John Kelly started this afternoon for Spencer, Iowa, to look after his land interests in that place. He will be absent from the city about two weeks.

—Mr. Fred Ballard, of No. 1 engine company, fell yesterday in the engine house, and severely sprained his left ankle, which will lay him up for some time.

—Father D'Connell, who delivered the panegyric on St. Patrick, on last Saturday evening, at St. Mary's church, is a cousin of Mr. Patrick Canillon, of this city.

—Mrs. John Watson and Mrs. Thomas King started for Webster city, Iowa, to-day, to visit Mrs. Watson's daughter, Mrs. W. T. King. Mr. W. T. King, who happened to be in the city, accompanied the ladies.

—Ex-Congressman Williams and family will start for Dakota, on Wednesday. Their household goods have been packed and are in the car, and will soon be on their way to the land of big crops and boundless prairies. For the present, his house on Jackson street will be occupied by Rev. Dr. Hodge.

—The Dubuque Times of Sunday morning says: "Mrs. Guernsey, of Janesville, Wis., mother of Mr. O. E. Guernsey, assistant cashier of the First National bank, and sister of Hon. D. N. Cooley, arrived in this city yesterday, and will remain for a few days." Mrs. Guernsey was called to Dubuque on account of the illness of Mr. Cooley. The Times says he is slowly improving, but is not able to receive visitors.

—The Hon. M. M. Strong, of Mineral Point, was in the city on Saturday. Mr. Strong is one of the oldest lawyers in the state, and is more intimately identified with the early history of the territory than any other man in Wisconsin. He is a ripe scholar and an excellent speaker. The failure of the assembly to concur in the senate bill appropriating \$9,000 for 2,000 copies of his territorial history, was a sore disappointment to him.

Some Strong Minded Women.

Can regulate their husbands amazingly should they not do their duty. Burdock Root Pills are a good regulator of the circulation. They are exclusively a blood tonic, and consequently strike at the root of many serious ailments.

Another Literary Entertainment Among the Little Folks.

The gathering of little folks at the residence of Mr. and Mrs. I. C. Brownell, on Saturday afternoon, for the purpose of celebrating the sixth birthday of their daughter Grace, was well attended, and from two o'clock in the afternoon until nine in the evening the home of the Brownells was the scene of joyous infantile revelry. They had all kinds of innocent games and amusements, among which was a literary entertainment. The following being the
